

## Biscuit Decorations

Age 5 to 7 ★

Perhaps you could sketch the biscuits?  
The second biscuit has icing on it. Which other biscuits have icing on?  
Which biscuits have a cherry on them as well as the third one?  
What about the biscuits with a chocolate button on them? Which ones are they?

We have attached some solutions from other schools

..... it is a good family challenge! Try sending it to your extended family and see what they do?

Andrew decorated 20 biscuits to take to a party.

He lined them up and put icing on every second biscuit.

Then he put a cherry on every third biscuit.

Then he put a chocolate button on every fourth biscuit.

So there was nothing on the first biscuit.

How many other biscuits had no decoration? Did any biscuits get all three decorations?
