

**Wind vane**

**Wind sock**

## Wind testing

Name: \_\_\_\_\_

Record the effects of each way of making 'wind'.

	Hairdryer	Electric fan	Hand-held fan	Blowing
Paper				
Plant				
Hat				
Toy car				
Pencil				

**SAFETY** Only try this activity with a grown up!!! If you don't have a fan use your own ideas of how you can make a wind effect. What about using your hands to move the air or blowing through a straw or rolled up piece of paper?
