

Hello Year 2,

I'm having a lovely time here in Scotland but I was a bit worried about the long journey from the South of England. I've been doing lots of travelling around and have even been to Loch Ness so that I could see the Loch Ness monster, disappointingly I didn't find it! Now I'm staying in the capital city of Edinburgh. I saw a lovely statue today that was of a little dog called Greufriars Bobby. Tomorrow I'm going to look around Edinburgh Castle - I am so excited because I might even hear them firing the cannons!

See you soon,

Supertato
