

**I can write a description of my Superhero Character in the form of a riddle.**

I will include some **conjunctions** such as because    **When If so that but**

I will include **adjectives** to describe its appearance and personality as clues

I will ask an adult to help me with my **spelling** if possible

I will check **my pencil grip** following the helpful hint sheet (see Monday )

We will look forward to reading your riddles and hopefully we will be able to guess who it is due to your careful description. When you draw the picture, remember to write the name of your character so we can check that we guessed correctly! Email it to us when you can...do not rush and take your time
